(4) TERRY CAMERON,)
(5) MICHAEL HOPKINS, and)
(6) JAMAR J. HOWARD,)
Defendants.)

12 It is hereby **ORDERED** that Russell M. Aoki is appointed as Coordinating
13 Discovery Attorney for court-appointed defense counsel.

14 The Coordinating Discovery Attorney shall oversee any discovery issues common to
15 all defendants. His responsibilities will include:

- Managing and, unless otherwise agreed upon with the Government, distributing discovery produced by the Government and relevant third-party information common to all defendants;
 - Assessing the amount and type of case data to determine what types of technology should be evaluated and used so duplicative costs are avoided and the most efficient and cost-effective methods are identified;
 - Acting as a liaison with federal prosecutors to ensure the timely and effective exchange of discovery;
 - Identifying, evaluating, and engaging third-party vendors and other litigation support services;
 - Assessing the needs of individual parties and further identifying any additional vendor support that may be required—including copying, scanning, forensic imaging, data processing, data hosting, trial presentation, and other technology depending on the nature of the case;

- 1 • Identifying any additional human resources that may be needed by the individual
2 parties for the organization and substantive review of information; and
3 • Providing training and support services to the defense teams as a group and
4 individually.

5 When executing these responsibilities, the Coordinating Discovery Attorney shall
6 assess the most effective and cost-efficient methods to organize the discovery with input
7 from defense counsel.

8 The Coordinating Discovery Attorney's duties do not include providing
9 representation services, and therefore will not be establishing an attorney-client relationship
10 with any of the defendants. Discovery intended for counsel of a specific defendant and not
11 to be shared among all defense counsel, shall be produced by the Government directly to
12 defense counsel for that defendant. For discovery common to all defendants, discovery
13 issues specific to any defendant shall be addressed by defense counsel directly with the
14 Government and not through the Coordinating Discovery Attorney.
15

16 For any common discovery that has already been produced by the Government prior
17 to this Order, the Government shall provide a copy to the Coordinating Discovery Attorney
18 within 14 days. Any additional discovery not already produced shall be provided directly to
19 the Coordinating Discovery Attorney, who shall duplicate and distribute the discovery to all
20 defense counsel, unless the Government elects to produce discovery directly to defense
21 counsel with a simultaneous copy to the Coordinating Discovery Attorney. The Government
22 shall work with the Coordinating Discovery Attorney to provide discovery in a timely
23 manner.
24

25 The Coordinating Discovery Attorney shall petition this Court, *ex parte*, for funds
26 for outside services and shall monitor all vendor invoices for these services including

28

1 confirming the work that was previously agreed to be performed. However, his time and the
2 time spent by his staff will be paid by the Administrative Office of the U.S. Courts,
3 Defender Services Office. All petitions for outside services shall include a basis for the
4 requested funds and a determination that the costs of the services are reasonable.
5

6 The Coordinating Discovery Attorney shall also provide this Court with [monthly if
7 web-hosted database solution is used / periodic if the solution is sortable spreadsheet or
8 other desktop solution] *ex parte* status reports depicting the status of work and whether that
9 work remains within the budget of any funds authorized by the Court, with the copy
10 provided to defense counsel.
